

Turning this . . .

Apples  
for  
the Students

into this . . .

Kick-Off Edition • October 2010

## Greer's Goes GREEN in their 2010-11 Apples for the Students Program!

Beginning September 1, 2010 to March 30, 2011, parents, families and friends of your students can collect register tapes from our supermarkets and contribute them to your school. The value of these tapes will then be redeemed by your school to earn FREE educational equipment from our Presidential award-winning program. Your school will select items on its wish list from our Apples for the Students catalog. There are hundreds of items to choose from in categories such as computers/printers, audio/visual, sports and music equipment, books, DVDs, and more.

It's easy to participate:

- ▶ Enroll at [www.Greers.com](http://www.Greers.com) or call 1.800.999.7750.
- ▶ After enrolling, click on DOWNLOADS, where you will find a "Letter to Parents" that you can print out and send to your parents and supporters.
- ▶ Select a charismatic volunteer who will coordinate the program and promote excitement in the school among students, parents, teachers and the community.

**Having made a commitment to supporting education, we are also committed to preserving our environment. In our progressive efforts to "go green", this year's complete program is paperless and more user-friendly!**

We have placed all the needed materials (including the flyers, coordinator's guide and product catalog) on one convenient CD saving over 6000 lbs. of paper!

We hope that your school will participate in our program. If you have any program questions, stop into the closest Greer's supermarket or call Program Headquarters at 1.800.999.7750. We thank you and wish you the very best of success.

## ADOPT-A-SCHOOL

**Business and Local Clubs  
Broaden The Effort**

Local businesses and clubs will welcome the opportunity to help and participate in your school's "Apples for the Students" program. The following ideas will help:

- a. Ask your school's art classes to decorate register tape collection boxes and then seek Adopt-A-School "Apples for the Students" partners in the community.
- b. Contact local businesses and clubs and ask them to "Adopt" your school by placing a register tape collection box in their establishment.
- c. Have students take register tape collection boxes home for use in their parents' work place.
- d. Ask your adopting partners to display signs in their offices, write memos and include news items in their newsletters communicating to their employees the fact that their company is participating as a "Partner for Education" to help your "Apples for the Students" program.

### Organizations to contact:

- Kiwanis
- Rotary Clubs
- Lions
- American Legion
- Elks
- Ladies Auxiliaries
- Jaycees
- Synagogues
- Masons
- Churches
- VFWs
