

Dear Parent,

Educational technology changes daily! That's why we are taking part in the Greer's Apples for the Students program that will help us earn needed educational awards without dipping into tight school budgets.

Thanks to the Greer's Apples for the Students program, we can receive computers, software, sporting goods, audio-visual aids, science items, books and other teaching tools, FREE in exchange for Greer's register receipts.

Receipts dated between September 1st and ending March 30th are valid.

When you shop at Greer's Market, save your receipts. Better yet, don't just save your own receipts -- ask your friends and relatives to save theirs, too! Send them to the school weekly and Apples for the Students volunteers at the school will do the rest.

We are counting on your participation in this effort to help enhance the educational environment at our school through the Greer's Apples for the Students program.

Yours in education,  
Apples for the Students  
School Coordinator
